LEARNING & ENGAGEMENT ACTIVITY DESCRIPTIONS

Sculpture Park Tour - Join a Museum Guide for a nature-filled tour of selected sculptures in the Sculpture Park.

Curator Spotlight Hour Tour - Curator-led spotlight art talks in the galleries. Each curator will choose a piece in the exhibitions on view to discuss in depth.

ARTfull Explorations: *Are You Here?* - Sign-making inspired by Jonathan Gitelson's *Are You Here?* project about billboards and being present.

Play in the Park: Buildings from Boxes - Cardboard boxes abound as we create super-sized stacked structures of forts, castles, bridges, tunnels, and towers!

Play in the Park: Maze of Sculptures - Create large-scale sculptures and maze-like pathways with quirky and recycled materials.

Ceramic Sculpture Making Demonstration - Demonstrations by resident artist Bruce Barry.

ASK ME! Guide Program - Ask one of our friendly and knowledgeable Museum Guides stationed at our favorite sculptures your burning questions about the art, artists, and processes.
